Tezpur, Assam- 784028

ASSIGNMENT FOR AUTUMN SEMESTER END EXAMINATION, 2024

Course Name- SCIENCE COMMUNICATION

Course Code- MAMCD / MMC 402

Full Marks= 30

1. Choose two newspapers—one from Assam and one from Delhi—and analyze them over a period of three months. Identify how many science- or health-related news items or articles are published and note their topics. Create a comparative chart based on your findings. 15
2. Review various issues of the Indian Journal of Science Communication, available on their website at <https://www.iscos.org/>. Make a list of the common science and technology topics covered in these issues. Additionally, assess whether the language used in the journal is accessible and comfortable for the general public. 15

** All questions must be attempted.
